Licensure for Fire Protection Workers

WVC § 29-3D & WVCSR §103-3 as of 07/01/2009

Type of License	Qualification Requirements
Fire Protection Layout Technician	NICET Level III required
Journeyman Sprinkler Fitter (installs, adjusts, repairs and dismantles fire protection systems)	10,000 hrs of work experience & proof of passing the NITC West Virginia Journeyman Sprinkler Fitter exam (www.nationalitc.com)
Sprinkler Fitter in Training (may not work unsupervised / no more than 2 In-Trainings per Journeyman Sprinkler Fitter)	Letter of good standing from employer & currently enrolled in an approved training program
Engineered Fire Suppression Systems Installer	2,000 hrs of work experience & certifications from all specific manufacturers authorizing the applicant to install, alter, extend, maintain or repair their systems
Engineered Fire Suppression Systems Technician	500 hrs of work experience & certifications from all specific manufacturers authorizing the applicant to maintain or repair engineered suppression systems
Pre-Engineered Fire Suppression Systems Installer	Certified by the respective manufacturer to install, maintain, alter, extend, maintain, layout or repair a pre-engineered suppression system
Pre-Engineered Suppression Systems Technician	Certified to maintain or repair a pre-engineered suppression system
Portable Fire Extinguisher Technician	Certified in accordance with NFPA 10

Note:

If you have an installer license, you do not need the technician license.

Licensure Process:

Complete the application and submit along with the required documentation, the application fee & the license certification fee (payable to WVSFMO) to:

West Virginia State Fire Marshal's Office
Regulatory & Licensing Division
1207 Quarrier St
Charleston, WV 25301

LICENSE FEES

	1 Year	3 Year
Sprinkler Fitter Journeyman Design Layout Technician	\$ 75.00	\$ 150.00
Sprinkler Fitter in Training	\$ 50.00	\$ 125.00
Pre-engineered Suppression Installer Engineered Suppression Installer	\$ 30.00	\$ 75.00
Pre-engineered Suppression Technician Engineered Suppression Technician Fire Extinguisher Technician	\$ 20.00	\$ 50.00

Application Fee:

\$ 25.00 NON-REFUNDABLE APPLICATION FEE FOR EACH NEW APPLICATION

Renewal:

Licensure will expire either annually or every three years based upon initial licensure. Renewal notices are mailed approximately 60 days prior to the expiration date. It is the licensee's responsibility to ensure renewal of the license. Please contact the division if you have a change of address. Failure to receive a renewal notice does not excuse non-renewal. Renewal fee is the same as the initial licensure fee schedule. If you fail to renew your license, you are required to resubmit a new application and supporting documentation.
